Every woman covets a shapely figure, and many of them ly figure, and many of them deplore the loss of their girlish forms after marriage. The bearing of children is often destructive to the mother's shapeliness. All of this can be avoided by the use of Mother's Friend before baby comes, as this liniment prepare the

body for the strain upon it, and preserves the symmetry of her form.

Mother's Friend makes the danger of child-birth less, and carries her safely through this critical period. Thousands gratefully tell of the benefit and relief derived from the use of this remedy. Sold by druggists look malled free to all expectant mothers. THE BRADFIELD REGULATOR CO.

Harrison had no connection with the Stock Exchange. It is thought probable that he became insane through losses. He spent part of the afternoon walking up and down the sidawalk in front of the antrance to the exchange, and attracted attention by denouncing the brokers. Just before the closing he rushed into the building and fired three shots—one into the floor, the second at a broker, and a third into the ceiling. The last builet
